Saturn

- Hand-held route control and signature capture system.
- Enables close monitoring of your consignment from collection to safe delivery.
- Saturn will prompt contact details for proactive notification on premium by 9.30 service via text message if your parcel is unavoidably delayed

With over 100 strategically located depots ensure we're close to your customers.

All parcels are security checked at local depot to confirm safe arrival. Saturn units ensure that priority consignments are delivered first. All parcels are automatically scanned onto each route for total security. We will proactively contact your customer (or the recipient) via text message if unavoidably delayed on our **by 9.30** service.

Step 3:

■ Track it status - Out for delivery
